Purpose for which grant will be used: How will this be of benefit to the residents and/ or local community within the Parish? It will be used to assist with the maintenance of the churchyard, which is an asset to the whole village as many of its deceased residents are buried there, and many of its current and future residents will be buried there. We should all wish for pleasant and well-kept surroundings when paying our respects to deceased family. This includes the visual appearance of the churchyard from the footpath and the road.	
Amount of grant requested: £500	Total cost of project: £1,200 per annum
How the money will be spent: Towards the annual cost of maintaining the churchyard to a standard that is acceptable to the village	

Please give details of any other grants or subsidies applied for or received from other bodies in the last twelve months: NONE

Any other information that would help Furneux Pelham Parish Council in considering your application:

Funds are difficult to come by in today's financial climate, and our church does not receive any assistance from the Diocese for its upkeep, including the grounds. We rely on donations and church collections. Historically, the Parish Council has generously assisted us with an annual grant. Without it, we have found ourselves using funds to maintain the churchyard which were originally earmarked for other projects to maintain the fabric of the building.

Do any of your members wish to address the Council at the meeting when this application will be considered: Yes, the Reverend Lynn Hayler

A copy of the full and detailed up-to-date accounts should accompany this application. I confirm that, as far as I know, the information contained in this application is true and accurate.
